Second Battle of El Alamein, Online Event

Using the tanks of M4 Tank Brigade for 2026

Real Time Strategy Game with Intense Tactical Combat

[M4 Tank Brigade on Steam](#)

In October 1942 Lieutenant-General Bernard Montgomery, commander of Eighth Army, opened his offensive against the Axis forces. In a 13-day battle the Axis Panzerarmee Afrika was crushed and forced to retreat from Egypt and Libya to the borders of Tunisia. The Allied victory at El Alamein was the beginning of the end of the Western Desert Campaign.

iEntertainment Network Inc., (OTCID: IENT) Burnsville, North Carolina, USA, is thrilled to announce the launch of [M4 Tank Brigade](#) for 2026 with the historical reenactment online events the Second Battle of El Alamein (1942), Sundays, 2030 Hrs, 22nd and 29th of March, 2026, in the Online arena of [iMagicGames](#).
